Giving Thanks!

Greetings! The Lindamood-Bell Foundation has recently selected its scholarship recipients for 2021! We are thrilled to complete our second year of awarding scholarships to families in need. Congratulations to our four recipients, who live across the United States and range in age from 7-54. These scholarships will enable them to receive Lindamood-Bell instruction for the first time.

The generosity of our donors has allowed us to meet our fundraising goals and grant these scholarships for life-changing instruction. We are very grateful for every donation and thank everyone who has supported us as their favorite charitable organization through AmazonSmile.

Thank you to everyone who applied for a scholarship. Our goal is to provide more opportunities for students in need. Information about our next scholarship cycle will be released in early 2022! Subscribe to updates [here](#).

With gratitude,

Angelica Benson

Savannah's Story: A Journey to Learn

After receiving a scholarship from the Lindamood-Bell Foundation, Savannah, 9, went on an educational journey that permanently transformed the way she learns.

"My experience as a scholarship recipient was wonderful," Joy, Savannah's mother, said.

When Savannah was in kindergarten, she was not progressing like her peers. She was behind in reading, and her school did not have the resources necessary to support her in the ways she needed, Joy explained. She continued to fall behind until enrolling at Lindamood-Bell in the third grade, where she developed symbol imagery, the ability to image sounds and letters in words. She quickly began to read and write with greater ease, leading to a boost in confidence and a heightened motivation to learn.

"Being able to get a scholarship changed everything," said Joy, a scholarship recipient parent.
