

The Sensory-Cognitive Foundation for Learning

Imagine Learning!

VOLUME 2, ISSUE 2: September 2023

Dear Friend,

A big hello! In 2023, our goal is to make an even bigger difference for families in need. In 2022, we were fortunate enough to award eight more scholarships across the United States and internationally to students with diverse backgrounds and learning needs.

As we grow our efforts, we have an important announcement to share! We have a new name, **The Sensory-Cognitive Foundation for Learning**. We are still the same entity as before with the same mission: to provide life-changing learning to individuals of all ages by providing scholarships to attend a Lindamood-Bell Learning Center. Our new name recognizes the importance of the sensory-cognitive foundation for all learning. We are excited to make this new change!

As we continue making a difference together, cheers to new opportunities ahead!

Very Warmly,

Angelica Benson

Angelica Benson, Ed.M.
Executive Director

Our Vision

We believe every child deserves the opportunity to learn to their potential.

We are guided by this vision as we commit to bringing life-changing learning opportunities to families in financial need.

The Sensory-Cognitive Foundation for Learning

Scholarship News

2022 Recipient Testimonial

“ I cannot express enough how grateful and honored we are by your immense generosity. Your Foundation will be the catalyst to giving my son a true shot at having the future he deserves, and I am so stunned, overjoyed, and humbled by your kindness. Again, we will never be able to express our gratitude thoroughly enough, but please know the work you are doing is going to save my son’s life. From the bottom of all of our hearts, we commend you and truly thank you. ”

Thank You, Donors!

Thank you to the Central Coast of California Arabian Horse Association for their support at the 2023 Trail Riding Event!

Important Dates

Do you want to apply for a scholarship? We are accepting applications in spring 2024. To find out about the application process, visit The Sensory-Cognitive Foundation for Learning website. If you have any questions, contact: info@thescfoundation.org.

November 28 - Giving Tuesday

Make a Difference with Us!

Are you passionate about making a difference? We welcome opportunities for community partnerships.

We invite you to support our cause. Join our community! Share our story!

With Appreciation

In his combined roles as a board member, advocate, and former student, Robert’s dedication and passion have helped shape the Foundation. His personal connection to our mission has been instrumental in helping us to grow stronger and directly impact students. We appreciate Robert’s personal experience, urgency to make positive change, and the selfless hours dedicated to running, racing, walking, and biking to grow our scholarship fund. As his time on the board comes to an end, we are honored to have had Robert as a supporter and friend. We look forward to working with you on future projects. Thank you to you and your family and friends for making a difference. We can’t wait to see what you’ll do next!
